Foreword

The 1964 edition of the 'Tiger's Roar,' represents the close of another chapter in the history of Cathedral High School. It is our sincere wish that as you read the 'Tiger's Roar' you will relive the events of this year. We hope that you will find warm happy memories of classmates, teachers, activities, and events that were a part of school life at Cathedral High in 1963-64.

As you review the events of this year, your thoughts may be sober, tender, or turn to the humorous side of things. The familiar faces of friends and landmarks around the campus will have a sentimental value for you, we know. Whatever your mood, we hope you will enjoy reading this yearbook with utmost bliss.

As editors we hope that the 1964 'Tiger's Roar' will be one of your most cherished possessions to aid you in recalling happy moments of past school days.

Dedication

We the staff of the Tiger's Roar proudly and affectionately dedicate this 1964 yearbook to our moderator, Reverend Brother Richard. During the three years Brother Richard spent here at Cathedral, he has endeared himself as an excellent teacher, a wise counselor always willing to aid the students in any of their problems, and a devoted worker. Under his inspiration and leadership the "C" Club, St. La Salle Auxiliary Drive, and last but not least the yearbook, Tiger's Roar, have been outstandingly successful because of Brother Richard. We all shall miss him and wish him Godspeed and great success in his new mission.

My dear young Friends:

I am confident that you are proud of your school. Cathedral School wishes to be proud of you. You are the ones who can make this possible. That is my fatherly desire for each of you and to that end I bless you.

Sincerely in our Lord,

Dear Students:

Congratulations to the "C" Clubbers who worked hard all year to put out this yearbook and to all students who made the bigger and better book possible by subscribing to it.

I am confident that you will immediately enjoy the memories evoked by the book and that your enjoyment will increase as the years go by.

It is my prayer that the book will remind you not only of the social, athletic, and academic aspects of your school life, but also of your life-long, divinely conferred mission as apostles of Christ among your fellow men, no matter where you may happen to be or what you may be doing.

May God bless you always.

Sincerely,

Brother A. Nicholas, F.S.C.

Tennis

With a team composed of one senior, three juniors, one sophomore, and one eighth grader; the Cathedral High School tennis team has notched an unprecedented second straight undefeated season, and judging from their ages they have a good chance of making it three.

In the season opener they topped the talent-laden East Jefferson team by an impressive 8-1 count. The young Tigers looked very promising.

As the season progressed, things began to look even better. In their second outing, the Tigers traveled to Opelousas and blanked the OHS netters 9-0, with Irvin David taking the No. 1 singles match and Bob David and Tommy Ducrest taking the feature doubles match.

The following weekend in a return match the Tigers hosted the Opelousas team. This time they squeaked through with a 5-4 victory. The singles matches were split three each. Bob and Tommy won the feature match and then Irvin David and John Thorn won the No. 3 double match.

As this goes to press, they are preparing to host De La Salle.

The old story of the youngest combining with the oldest is present in the No. 1 doubles team. Bob David, the only senior, and Tommy Ducrest, the only eighth grader combined and remained undefeated as the top doubles combo.

Paul Connolly and Irvin David combined to win the IA&OA doubles championship for 1964.

Pictured here are Larry Lokey and John Thorn. Thorn saved the day for the Tigers against Opelousas winning the vitally needed point which gave the CHS netters another victory.
